### **Who is FSQ and how can we help?**

- A Vermont food safety and quality consulting company that is designed to help small VT businesses.
- A company to help you develop rigorous food safety and quality programs for the product you produce.
- Help for companies that may not be able to afford to hire a full time Quality Assurance Manager or staff.
- A flexible local consulting company that can offer these services at affordable rates.
- A company whose owner has over 22 years of experience as a QA Manager in the food industry.

### **Services We Provide:**

1. Developing a food safety program (Hazard Analysis and Critical Control Point Program)
2. Preparing for Inspections (FDA, GFSI (SQF & BRC), VT Dept of Ag, & other 3<sup>rd</sup> party audits)
3. Developing a Customer Feedback Database
4. Establishing cleaning & sanitation programs
5. Developing a Lot Tracing System for ingredients and finished goods.
6. Obtaining Kosher certifications
7. Establishing a Quality Assurance system
8. Developing Good Manufacturing Practices (GMP) programs
9. Developing a Food Defense Program
10. Developing product specifications
11. Developing an in-house pest control program
12. Labeling and nutrition consultation (NLEA – Nutrition Labeling & Education Act)
13. Developing an allergen program
14. Developing an internal food safety & quality self audit program
15. Providing guidance on the Food Safety & Modernization Act
16. Training employees and staff in all of the above programs

Contact us for a complete list of our qualifications or for a list of professional references. If you have interest or questions about how we can help, please contact us via email ([fsqconsultingvt@gmail.com](mailto:fsqconsultingvt@gmail.com)) or phone (802 326-4370 – Office, 802 752-8156 - Cell). Feel free to pass along this information to any other small business that may be interested in these services. Thanks.
